

Energy In Agriculture: Managing the Risk

June 27-28, 2006 • Kansas City, Missouri

Conference Fee Waivers/Travel Scholarships

Farm Foundation is offering a limited number of registration fee waivers and travel scholarships for non profit representatives and farmers and ranchers with an interest in managing energy risk in agriculture to attend this conference.

Application deadline is May 30, 2006

To apply for assistance, submit a one-page application which includes:

1. Contact information – name, affiliation, address, phone, e-mail.
2. An estimate of your travel expenses.
3. A description of your interest in agriculture, energy, and managing risk.
4. A statement outlining what you plan to do with the information you gather at the conference, including the people and organizations you will work with following the conference.

Travel grant are limited to \$500. Awards will be announced by June 1. Checks will be delivered to recipients at the conference. Recipients must make their own travel and hotel arrangements. Hotel reservations must be made by June 5.

Applications, which may be sent by mail, fax or e-mail, should be addressed to:
