**THE JACKIE JOYNER-KERSEE
FOOD AGRICULTURE NUTRITION
INNOVATION CENTER**

“Jackie Joyner-Kersey has spent her entire career demonstrating what you can achieve when you refuse to let others put limits on you,” said Robert J. Jones, Chancellor of the University of Illinois Urbana-Champaign. “Illinois is proud to be a partner in the formation of the JJK FAN Innovation Center, which will create many new opportunities for young people in the East St. Louis community to lead their own lives of impact and inspiration.”

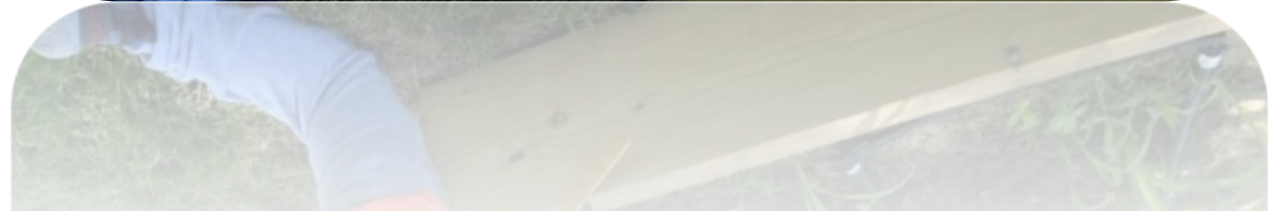

Purpose

Changing lives by providing quality youth and community programs in STEAM+Ag, food production, nutrition, and physical activity in East St. Louis and beyond.

Vision

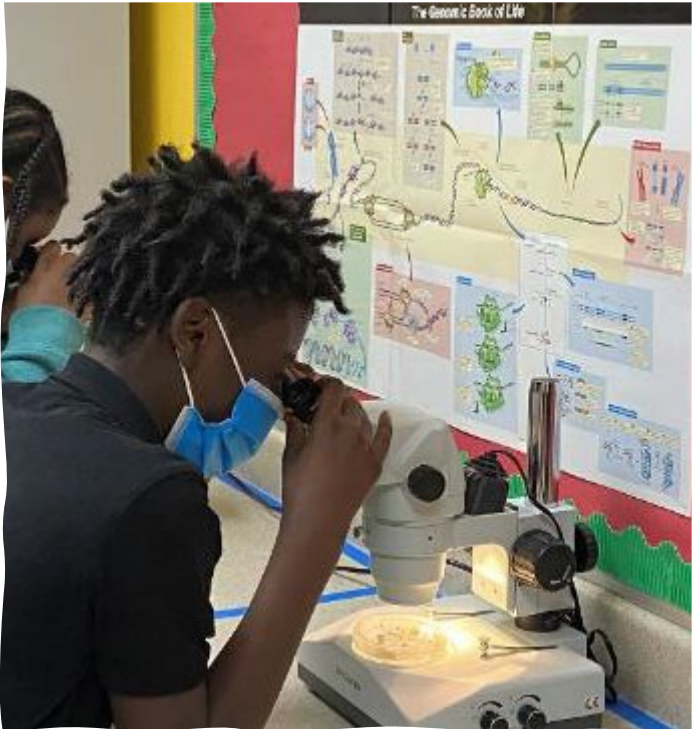

To become a nationally recognized innovation center that empowers youth and communities to grow through urban agriculture, food innovation, entrepreneurialism, and career readiness

Curriculum & Programming

- STEAM-Ag Educator: Donald Danforth Plant Science Center
- Local Foods Educator: University of Illinois Extension
- STEAM-Ag Educator, JJK Foundation

Over \$1.5 million received in grants to support curriculum development and programming
