

A photograph of three men standing in front of a massive, dark, weathered Goodyear tire sculpture. The tire is positioned vertically, with its circular opening framing the men. The man on the left wears a red sweater and dark pants. The man in the center wears a purple button-down shirt and blue jeans. The man on the right wears a black vest over a light-colored shirt and khaki pants. They are standing on a concrete path. In the background, there is a metal fence and a desert landscape with mountains under a blue sky. A white informational sign is attached to the fence to the right of the tire.
